Book Description Cambridge University Press, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This advanced teacher's book is ideal for those students who have successfully completed the Cambridge Learning English Teacher's Workbook. It provides students with materials to further develop their skills in assessment and language learning. Includes practice in teaching and learning strategies and a variety of lesson plans. It provides information on assessing students and on classroom management and also contains a unit planning section which shows how a full unit can be developed using the materials. Bookseller Inventory # ABE_book_new_0092876382 This is an advanced workbook which offers students materials to further develop their skills in assessment and language learning. This book has been written for teachers at advanced level but it is also very suitable for those students who have successfully completed the Cambridge Learning English Teacher's Workbook. It provides students with materials to further develop their skills in assessment and language learning. It also contains a unit planning section which shows how a full unit can be developed using the materials. Bookseller Inventory # 978-0-521-71280-4 After leaving the cast of your college roommate's lackluster cable-television production of Shakespeare's *The Taming of the Shrew*, Daniel Radcliffe immediately went on to become the highest-paid young adult ever — until today, that is. The star of the Harry Potter movies, who will be celebrating his 21st birthday later this week, has reportedly agreed to terms on a \$500,000 deal with the Italian sports-car maker Lamborghini. "This has been a dream of mine," Radcliffe told *The Daily Mail*, which first reported the news. "I've wanted to drive a Lamborghini for a long time. It's an honour to be part of a company that is so respected and loved all over the world." *The Daily Mail* didn't
