Investigators say the shooting occurred at a home in the 600 block of Powerline Court just before 2 a.m. on Sunday, January 20. Police say they were called to the scene after a woman's neighbor called to report hearing gunshots. Police found the woman with gunshot wounds and called EMS. She was transported to the hospital, where she later died. The neighbor told police the victim was involved in a relationship with the man who shot her. The man then went to her home and shot the cat. He then turned the gun on himself. He was pronounced dead on scene. The woman's name was not released. In a statement, police said: "This is a tragic event and we are concerned for the family of the victim and ask for privacy at this time."

Anyone with information on this crime is asked to contact the Crime Stoppers TIPS Hotline at (512) 471-3786 or submit a tip on this website. The present invention relates to a pressure sensitive adhesive for substrates such as films, and more particularly, to a pressure sensitive adhesive for pressure sensitive adhesive tapes. The pressure sensitive adhesive tapes have adhesiveness to hydrophobic substrates and no adhesiveness to hydrophilic substrates. A pressure sensitive adhesive that is suitably used for pressure sensitive adhesive tapes is required to have adhesiveness to adhere the substrate and film of the pressure sensitive adhesive tape to various materials such as hydrophobic materials and hydrophilic materials, and to maintain the adhesiveness of the substrate and film of the pressure sensitive adhesive tape for a long period of time. A pressure sensitive adhesive composed of a pressure sensitive adhesive resin and a tackifier has been used as a pressure sensitive adhesive
