## N64injectedwads

# Download

April 15, 2564 BC. - This tool allows you to embed Nintendo 64 (N64) game backups in \*.n64 / \*.z64 / \*.v64 formats into the official "new" Wii N64 Virtual Console WAD files. This way you can use older WADs saved in WadManager in a new or Wii game. This tool also allows you to play an old Wii game that has been ported to WAD in all games that support Wii WAD. WoWai is a WAD recovery tool that allows you to recover WADs that were lost during a WiiWare crash or a Wii restart. The restored WAD will play without restarting the WiiWare or restarting the Wii.
