System Requirements:

X and Y are one of the console's most iconic characters. With impeccable timing, timing, and movement, players need to master their characters' movement in order to take down enemies, chase down prizes, and avoid danger. With these controls, players need to time jumps, dodge, and move quickly to avoid obstacles. Who doesn't want to play as a thief, assassin, or brawler? The X and Y controls bring the best of each world to life. Now players can fight, play, and live as their favorite heroes and villains. X and Y
